

MDC 1/8" Acoustical Product Specification

RASZ101 Asana Fog

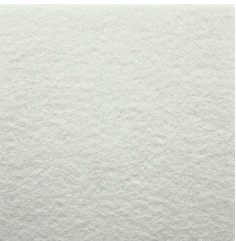

RASZ102 Asana Black

Asana

RASZ101 - RASZ105

Offered in 5 best selling colorways, Asana adds a more rigid option to closely replicate the construction of 1/8" felted sheets. Made of 100% recycled fibers.

This wallcovering features Fosshield, an advanced FDA cleared antimicrobial technology incorporating silver and copper ions into the fiber, which naturally attack microbes, delivering surface protection in addition to reducing the growth of bacteria, mold, mildew and odor.

RASZ103 Asana White

RASZ104 Asana Smoke

Product Specifications

Content: Polyester

Width: 63"

Weight (oz/lyd): 25 oz.

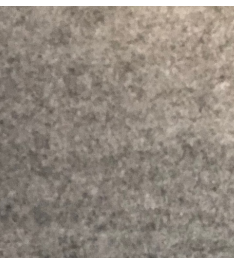

Type: Medium

Backing: Fused Polyester

Pattern Match: Random non-reversible

Fire Rating: Class A

NRC Rating: .20 over gypsum board

RASZ105 Asana Flannel

3rd Party Certifications

Contains Recycled Content

Features

Contains 10% Pre-consumer recycled content

Contains 90% Post-consumer recycled content

Maintenance

Asana is made from synthetic fibers that can be cleaned very well with virtually no damage to the color or construction. General vacuuming is recommended to remove surface dust and dirt.

An important factor in removing a spot or stain is immediate action. Most stains can be removed if attended to promptly. For liquids, blot to absorb moisture using a damp sponge and a gentle sweeping motion – DO NOT SCRUB. Work from the center of the stain to avoid spreading. Use a cleaning solvent first and if unsuccessful, a commercially available rug cleaner may be used in accordance with specific product instructions. Dry the wallcovering by blotting or fanning the area. For more stubborn stains, repeated steps may be necessary. Note: Always check to see that the cleaner will not cause damage to the material by testing on a smaller area out of sight.
