MHE8220 – Dekland Mirror

Contemporary

Our Dekland Mirror is a geometric styled piece. The elongated hexagonal frame takes on a retro design, modernized for 2018 and beyond with an acid treated copper finish. The mirror of the frame has a bevel, enhancing its overall look. D-rings and saw tooth hangers are affixed to the back of the frame so that the mirror is ready to hang right out of the box in either a horizontal or vertical orientation!
