

Product Specification

Coronado Trieste 3955TS – Indiglow

Len-Tex Contract

Coronado Trieste pays homage to the clean lines and geometry of architect Carlo Scarpa. Drawing from his unique modernist designs, the Trieste stripe is reminiscent of metallic fretwork of the art deco era. The striped elements are staggered to create a subtle vertical movement throughout a space. Colors are borrowed from architectural hues of metal and stone. Trieste coordinates beautifully with our Coronado, a classic stone look.

Specifications

Content Fabric backed Vinyl Width 53/54" Weight (oz/lyd) 20 Weight (oz/sqyd) 13.33 Type Type II Backing Non-woven Repeat Reversible Match at 52" Pattern Match Reversible pattern match Fire Rating Class A Flame Spread 25 Smoke Developed 30
