

Celeste

4401CL – Cameo

Len-Tex Contract

Celeste finds inspiration in bold, painterly brushstrokes that we've paired with metallized film -- an artisanal look that exudes glamour and sophistication. Opaque bands provide a striking contrast of matte and shine, creating an airy, ethereal quality. This signature design has a luminous glow with soft reflectivity. Choose from an alluring white to soft or radiant metal tones that will bring drama and distinction to luxury hospitality or other upscale projects.
