Bolta Contract

We travel to Spain for Bolta's newest mid-scale design, Malta. Spanish architecture has beautiful movement and ornamentation and this has been captured in Malta. The curvaceous line work is reminiscent of the intricate detail in wrought iron gates that are seen at the most luxurious, Mediterranean resorts. Rich, saturated colors like Merlot, Ancient Gold and Sunset all add to the romance of the wallcovering. Malta's 10 neutral and deep tones of colors coordinate with Bolta's Malta Linen.
