Colt ETL6608 – Copper

Encore

With a design that mirrors leather, the large stitching and repeat pattern of Colt creates a rustic, eye-catching pattern, perfect for small and large spaces. The subtle, metallic sheen catches the light, while the largely neutral color offering holds true to its agrarian inspiration.

Note: The final width of properly matched material will be approximately 51" wide (based on 6 repeats of the 8.5" variable width shapes.)
