

Product Specification

Montage MCO1927 – Glacier

Candice Olson Couture

Tiny irregular squares, a quarter inch in size, are piled chock-a-block like miniature tiles one upon the other. The pronounced texture of this delightful geometric wallcovering is enhanced by the metallic sheen of the finish which reflects the light. The baker's dozen colors include Orchid, a lovely grey tinged purple, and Mist, the magical color of wave tossed sea glass.

This item is also available 27" wide as MCO1927N
