

Patina

MCO2323 – Slate

Candice Olson Couture

The crimped, tightly woven texture of this power pattern has the feel of a luxury handloomed woolen. A thoughtful palette of thirteen combines designer shades, naturals, and classic neutrals in a broad-spectrum array of metallic and matte finishes that allows versatility of placement from supporting anchor to high-profile highlight. Printed on a vinyl surface with an Osnaburg fabric backing, this highly durable commercial wallcovering guarantees a reliable bond between the wallcovering and the wall with superior stability that rounds corners easily and meets Type II requirements of CCC-W-408A.
