## Mirrors MHE140010 – Azita Persian Patterned Mirror

## Mirrors

This mirror exudes timeless elegance with its slender matte gold frame, adding a touch of sophistication to any space. However, it's not just a mirror; it's a work of art in its own right. Its background is adorned with an antiqued mirror finish, adding depth and dimension to your reflection. Layered atop this reflective canvas are intricate patterns reminiscent of a vintage rug, all in bold black hues. Versatile in both design and function, this mirror can be hung either horizontally or vertically, allowing you to customize its orientation to suit your decor preferences. This fusion of elements creates a captivating visual narrative that tells a story of heritage and design.
