MHE29056 – Armonia Mirror

Mirrors

Armonia is Italian for the word harmony. The symmetry of the Armonia Mirror opens the imagination wide to a variety of installations. The intersecting lines and the beautiful beveled edges play off light and reflections at every angle creating a work of functional art. Whether singularly or in a well planned group, this design will become a valued asset to designers of all levels. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box.
