MHE35325 – Hammered Em Dash Flared Deep Bowl,
Large

Accessories

The Em Dash Collection is hand crafted and finished by expert artisans. The simple modern dash pattern also creates a hammered pattern on the inside, that adds to the versatility and beauty of these designs. Finished in a matte black or bright silver, each piece can easily stand alone as a decorative accent or grouped together to show the contrast of dark and light elements. Whether it is filled with a plant or left as is, the large flared deep bowl in bright silver will add just the right touch of modern yet classic flare.
