MHE51268 – Euphoria Mirror

Mirrors

Euphoria is a unique mirror. It features a round frame of bars arranged at different lengths creating a sunburst design. It all borders a convex mirror which offers the most interesting reflections. The frame is then finished in an aged brushed nickel with warm gold hues. Alone or in multiples, it is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box!
