MHE8028 – Dayton Mirror

Industrial

The Dayton Mirror is a great piece because it resembles a fancy window; complete with sectioned window panes. The frame is rectangular and finished in an aged bronze that has accents of black making it perfectly fit into your decor. Alone or in multiples, the Dayton Mirror is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is NOT beveled.
