MHE8036 – Grant Mirror

Industrial

Our Grant Mirror features a simple rectangular shape, but it is anything but simple. The wood frame is covered by a mottled, textured copper metal overlay which give the piece its texture and unique style. It is then trimmed in an antique brown border. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation! Grant is also available in a smaller square size.
