MHE8217 – Magnus Mirror

Contemporary

Our Magnus Mirror features a large oversized rectangular frame fashioned from wood. It is adorned with small square mirrors surrounding the frame. Each mirrored square is trimmed in an acid treated copper metal overlay. Each mirrored piece is beveled, adding to its style and beauty. Make any room instantly larger by adding the Magnus Mirror. Its grandiose size makes it the perfect focal point for an entryway, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a horizontal or vertical fashion! It also comes with special mounting hardware to secure it to the wall when leaning against the wall.
