MHE8502 – Demir Round Mirror

Industrial

Embracing the Industrial trend, our Demir Mirror features a round frame of metal, interlocking bars. The bars are fashioned to appear held in place by a ball and pin rivet. The piece is then finished in a bright silver. The Demir Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. A key hole is affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece is beveled adding to its beauty and style.
