MHE8523 – Cadence Mirror

Traditional

Old European moldings are known for their spectacular detailing & craftsmanship. Here, we channeled that old world charm and translated it into our Cadence Mirror. The oversized rectangular frame has been updated with a white washed finish to fit into today's lifestyles. It is a perfect piece for an entryway, living room, bedroom, or any room in your home! The mirror is beveled adding to its style and beauty. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation! It also comes with special security hardware to secure the piece when using as a floor mirror.
