MHE92216 – Rogers Dressing Mirror

Mirrors

The Rogers Mirror was created to provide a style that is sleek yet handsome. The rectangular wood frame with a walnut stain is accented with brass plated stainless steel corners and rivets. Not only do these decorative elements of the frame highlight their design, but they also serve as a protectors from damaged wood corners. D rings are affixed to the back of the mirror so it is ready to hang right out of the box. Also available in a square shape.
