MHE92330 – Irish Shore

Hand Painted Original Art

Wall Art

The Irish coast line northeast of Dublin totally mesmerized me. Here the calmness of the countryside meets the roughness of the sea to create a lasting love affair. Thick layers of paint are hand applied to create movement and texture. Because this is an original hand painted work of art, no two pieces of art will be exactly the same. The gallery wrapped canvas is set into a floating black wood frame. Hardware is attached so the back of the art so that it is ready to hang right out of the box in either a horizontal or vertical orientation!
