## Mirrors MHE99072 – Opal Mirror

## Mirrors

The Howard Elliott Opal Mirror is a simple yet lovely piece featuring an oval shape with a mirrored frame. Each section of the frame and mirror glass has a small bevel. The piece includes hanging hardware so that the piece can be hung vertically or horizontally. Hang multiples together for a truly striking wall display. Think outside the box! The Opal Mirror also works great as a table accent! Simply remove the hanging hardware, set it on a table and adorned with candles, or any other decor item.
