

# Industrial Inc.

## MRE1262 – Rotary

### Restoration Elements

It's the new industrial revolution; this time manufactured and organic elements join to beget interior design with an edgy beauty like this vertical metallic wallcovering. Capturing the look of time-worn tin sheets with contrasting streaks like oxidation, this durable vinyl would be a handsome addition to a loft or a contemporary setting. Selections include aged copper with verdigris and antique gold with chalky grey.

**Specifications**

Content Fabric backed Vinyl  
Width 54"  
Weight (oz/lyd) 20
