

## Timber

### MRE1352 – Driftwood

#### Restoration Elements

This pattern is inspired by the persistence and durability of the tropical balsa tree, known for its ability to grow strong and fast where other cannot. The organically based palette of natural and mineral colors has a variegated subtle shimmer and rugged bark finish. This vinyl wallcovering, offered in nine colors, is durable, beautiful and well suited for high traffic areas.

**Specifications**

Content Fabric backed Vinyl  
Width 54"
