

## Hype

### W2HY24 – Hammered Metal

#### Genon Contract

Hype combines a soft natural quality with a metal finish to create a flickering, hammered metal look. This mini print, with a hint of animal, reads as a beautiful texture but has a playful appearance close-up, almost as if a chameleon. Choose from the beautiful 18 colors that range from soft neutrals like Polar White and Diamonds to rich tones of Calypso Blue and Heat Wave.
