Chipper Y46874CI – Tree Frog

Vycon Contract

Vycon's Chipper mixes nature and craftsmanship. The deep troughs resemble nature's carvings into the bark of a tree made even more glamorous by the kiss of metallic and mirroring the sunlight's glint upon its edges. The same technique is reminiscent of a skilled artist chiseling into the clay of artisan pottery giving structure and comforting repetition. The large palette of 25 colors, covers all installation needs. MDC has distribution rights of this product in select states as detailed below. Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, North Dakota, Nebraska, Ohio, Western Pennsylvania, South Dakota, West Virginia and Wisconsin.
