Mirrors MHE29101 – Eduina Symmetrical Cut Pattern Wall Mirror

Mirrors

The frame composed of interwoven mirrored bands, exudes a sense of cosmic intrigue and artistry. The outer mirrored band, adorned with intricate beveling, adds a touch of sophistication and texture to the overall composition. Whether placed in an entryway, bathroom, bedroom, or any room in your home, this mirror becomes a mesmerizing focal point that adapts to your space. It is ready to hang in multiple directions straight out of the box, allowing you to explore various orientations and create a customized visual experience.
