## Wall Art MHE69094 – Chartreuse Scarf Wall Art

## Wall Art

As I as walking along a busy avenue one cold rainy gray day, could not help noticing the rather large woven chartreuse scarf that a woman had wrapped around her neck to keep warm. I wondered if that color matched her dress or was just the right color that day to cheer her up. Each of these pieces are embellished by hand with touches of giclee to highlight and add texture to each canvas.
