MHE8053 – Bloom Mirror

Contemporary

Our Bloom Mirror is so much more than just a simple round mirror. It does feature a round frame. But what makes it unique is the faux leather strap that it hangs from. The strap is affixed on either side of the espresso brown frame and sits on brushed nickel hanging hardware. The glass of the mirror is beveled adding to its simple style and beauty. On its own or in multiples, the Bloom Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home.
