Traditional

The large, stately frame is made from wood and is accented with grooves for added depth and character. It is then finished in a lovely country gold leaf. For more added detail the mirror features a one inch bevel. Make any room instantly brighter or appear larger by adding this mirror to the mix. This simple yet stunning piece would be a great addition to any room. Its tall, oversized rectangular frame makes it a perfect floor mirror, however it does come with D-rings affixed to the back of the mirror so it is ready to hang right out of the box!
